

Dormancy Intelligence Report

Generated 2026-06-02 03:38:51 UTC | Analyst: J. Harrington, Forensic Analyst

Scope: Public blockchain analysis only. Dormancy is not proof of abandonment or legal ownership. No asset access or recovery is performed.

Address	0x9a8b3c1d4e5f60718293a4b5c6d7e8f9a0b1f21c
Chain	ethereum
Analysis date (UTC)	2026-06-01 09:42:11 UTC
First observed activity	2017-09-12
Last observed activity	2018-08-19
Last outgoing activity	2018-08-19
Years inactive	7.8
Balance	412.5 ETH
Estimated fiat value	\$1,312,875.00 (estimated, at analysis time)
Transaction count	36
Dormancy score	88/100
Classification	Ancient dormant
Exchange / custodian match	None detected
Likely burn address	No
Smart-contract status	Externally-owned / standard address
Evidence sources / APIs	https://api.etherscan.io/v2/api , https://api.coingecko.com/api/v3
Analyst notes	Prepared in support of estate administration (ref. PRB-2026-0488). Subject wallet identified from th

Score explanation

Dormancy score 88/100. No observed movement since 2018-08-19 (~7.8 years). This reflects on-chain inactivity only and is not evidence of abandonment or legal ownership.

Score breakdown (audit trail)

Factor	Points	Detail
years_since_last_activity	47	No observed movement for ~7.8 years.
years_since_last_outgoing	20	No outgoing transaction for ~7.8 years.
wallet_age	10	Wallet first observed ~8.7 years ago (2017-09-12).
remaining_balance	10	Holds a remaining balance (412.5 ETH) left untouched during inactivity.
transaction_count	1	Transaction count: 36.

Legal disclaimer

This Dormancy Intelligence Report is derived exclusively from public blockchain data. Dormancy reflects observed on-chain inactivity only and is NOT proof of abandonment, loss, or legal ownership. This tool does not recover, unlock, transfer, or claim crypto assets and performs no private-key, seed, or password recovery. Any legal claim over dormant assets requires independent legal advice and due process (e.g. probate, estate administration, insolvency, or a law-enforcement mandate).
